

## XVII. REPORT OF CONFERENCE STATISTICIAN

The 2009 statistics continue to indicate that different results are needed from the churches of the North Texas Conference. Despite the remarkable growth of the 20 counties which comprise the conference, it is striking to note that the total membership, the average worship attendance, the number of new members received, the number of professions of faith, and the average Sunday School attendance of the churches of the North Texas Conference are all less than ten years ago.

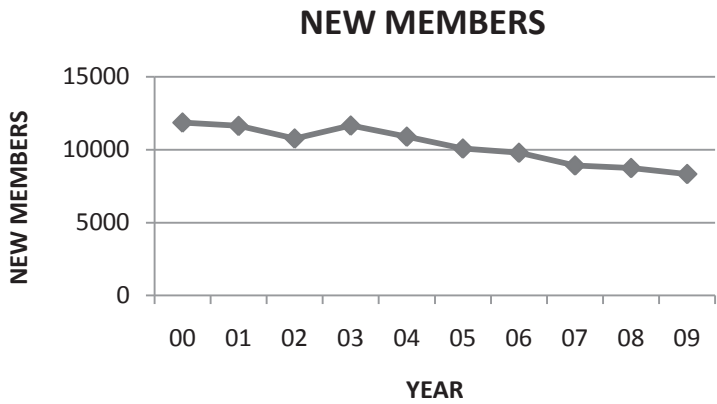

The total conference membership at the close of 2009 was 156,284, a decrease of 2,322 persons or 1.5% from 2008 and the fifth year in a row of decline.

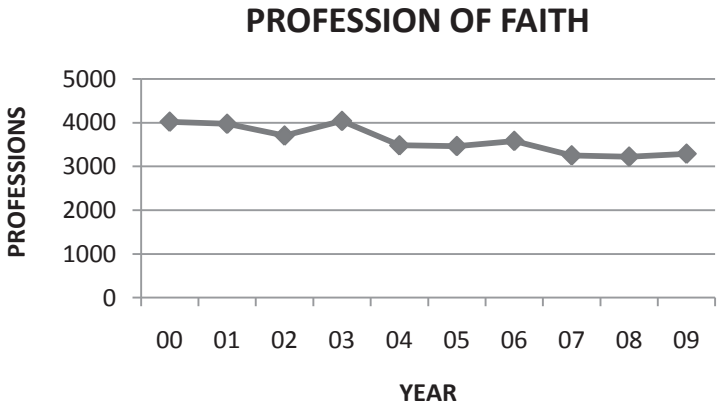

Average worship attendance declined in 2009 to 59,527, decreasing by 774 persons or 1.3%. The ratio between worship attendance and membership remained steady at 38.1%.

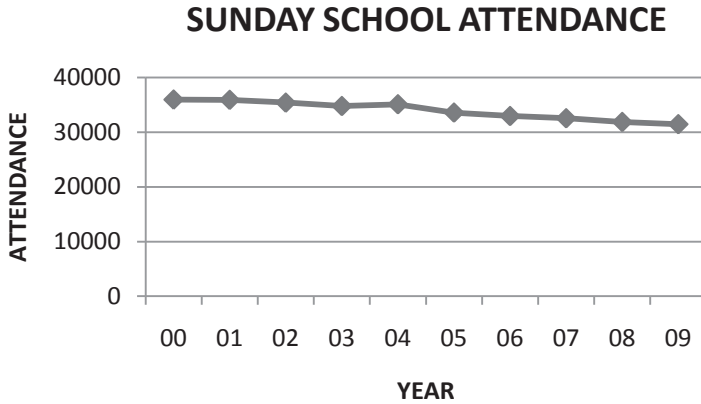

The number of new members received by our churches decreased to 8,331 in 2009, a drop of 412 persons or 4.7% from 2008. This was by far the lowest number of new members received in more than a decade.

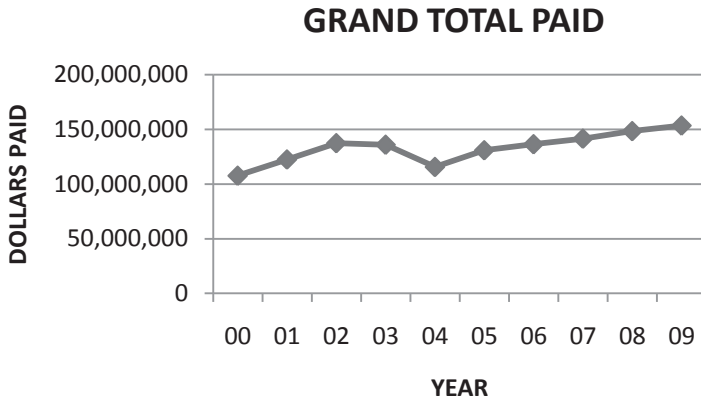

One positive is that our professions of faith increased in 2009 by 67 persons or 2.1%. We give thanks for the 3,291 persons who came to know Christ and joined our churches by profession of faith last year.

The average Sunday School attendance decreased for the fifth year in a row and the ninth time in the past decade to 31,449, a decrease of 412 persons or 1.3%. Hopefully, participation in other small groups for learning accounts for some of the difference.

The grand total paid to all causes, in a year of continued economic challenge and uncertainty, increased by 3.6% to \$153,504,481. We continue to be thankful for the faithful generosity of United Methodists in North Texas.

While we continue to have confidence in the strength and vitality of the churches of the North Texas Conference, this statistical report continues to call us all to take notice of the situation and to take concrete steps to increase our effectiveness in making disciples of Jesus Christ for the transformation of the world in the years ahead.
