The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.wespath.org](http://www.wespath.org) (click on HealthFlex/Benefits Access) or call **1-800-851-2201**. | Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| <p><b>What is the overall <a href="#">deductible</a>?</b></p>                             | <p><b>If took Health Check:</b><br/>                     For participating provider:<br/>                     \$3,000 Individual/\$6,000 Family</p> <p>For non-participating provider:<br/>                     \$6,000 Individual/\$12,000 Family</p> <p><b>If did not take Health Check:</b><br/>                     For participating provider:<br/>                     \$3,250 Individual/\$6,500 Family</p> <p>For non-participating provider:<br/>                     \$6,250 Individual/\$12,500 Family</p> | <p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.</p> <p>If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay.</p> <p>Households with family coverage who do not complete the Health Check in 2021 will have their deductible and individual out-of-pocket maximum increased by \$500 so the deductible does not exceed the individual out-of-pocket max.</p>  |
| <p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p> | <p>Yes, preventive care</p>   | <p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p> |
| <p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>          | <p>Yes. \$50 Individual/\$150 Family for dental benefits, if elected.</p>   | <p>You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this plan begins to pay for these services.</p>  |

|  |   |   |
|--|---|---|
| <p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p> | <p><b>For participating provider:</b><br/>\$6,000 Individual/\$12,000 Family</p> <p><b>For non-participating provider:</b><br/>\$12,000 Individual/\$24,000 Family</p>  | <p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, the overall family <a href="#">out-of-pocket limit</a> must be met.</p>   |
| <p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>               | <p><a href="#">Copayments</a> for certain services, <a href="#">premiums</a>, <a href="#">balance-billing</a> charges, vision expenses, dental expenses, and health care this <a href="#">plan</a> doesn't cover.</p> | <p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>   |
| <p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>               | <p>Yes. See <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call <b>1-866-804-0976</b> for a list of <a href="#">network providers</a>.</p>   | <p>This plan uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your plan pays (<a href="#">balance billing</a>).</p> <p>Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p> |
| <p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>    | <p>No.</p>  | <p>You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>.</p>  |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

<sup>1</sup> Starting January 1, 2022, as required by applicable law, in-network cost sharing rules may apply for certain out-of-network services, including certain emergency services, air ambulance services, and services from an out-of-network provider at an in-network facility. This means the amount you pay for these services may be lower than provided in this SBC.
