

# CHURCH APPRAISAL REFERRALS

## DETERMINING IF YOUR BUILDINGS ARE AT REPLACEMENT COST VALUES

### WHAT WE KNOW

It is the goal for each church in the North Texas Conference of the United Methodist Church to review annually the replacement cost valuation for each building to ensure that the church has adequate coverage. How can churches be sure that their valuations are keeping up with the increasing construction costs?

### COMPANIES THAT CAN HELP

Insurance appraisal companies can help aid churches in building valuations. These services can provide a comprehensive report for both building and contents, ensuring the total insured value is at replacement cost. You may choose any appraisal company that you wish and here are a few examples of companies that do church appraisals in your area.
