Each ~~central~~ connectional conference may make changes and adaptations to the *General Book of Discipline* to more fruitfully accomplish our mission in various contexts. However, some portions of the *General Book of Discipline* are not subject to adaptation. The following parts and paragraphs are not subject to change or adaptation except by action of the General Conference. ~~The Standing Committee on Central Conference Matters has primary responsibility for proposing to General Conference revisions to this paragraph.~~

Parts I -V

I. Constitution ¶¶ 1-61

II. *General Book of Discipline* ¶101

III. Doctrinal Standards and Our Theological Task ¶¶ 102-105

IV. The Ministry of All Christians ¶¶ 120-143

V. Social Principles Preface, Preamble, and ¶¶ 160-166 (as replaced by the Global Social Principles to be adopted by the 2020 General Conference)

Part VI. General Organization and Administration ¶¶ 201-204, 260-261, 301-303, 305-308, 401-403, 421-423, 431-450, 501-523, 525-528, 570-575, 601, 701-702, 703.1-4, 703.7-12, 704, 801-809, 1501-

Where provisions between jurisdictional and central conferences conflict, they shall continue to apply differently within the United States and outside the U.S., but the Standing Committee on Central Conference Matters shall lead a process in consultation with the Connectional Table to reconcile the differences and rewrite paragraphs containing conflicts to be proposed to the 2025 General Conference.)

Part VII. Additional Organization and Administration (All other paragraphs in the *Discipline*, as amended by General Conference 2020, shall remain in effect through December 31, 2025, unless adapted by a connectional conference. Based on decisions by connectional conferences during 2022- 25, the 2025 General Conference may add or subtract paragraphs to Part VI. All references in these paragraphs referring to jurisdictional or central conferences shall be modified to refer to connectional conferences. These paragraphs shall be subject to adaptation by the central conferences beginning in 2020 and the connectional conferences beginning in 2022.)

~~The Standing Committee on Central Conference Matters, in consultation with the Committee on Faith and Order, will bring legislation to the 2020 General Conference to change the structure of the *General Book of Discipline* to include a Part VI, General Organization and Administration not subject to change or adaptation by central conferences, and a Part VII, Additional Organization and Administration, adaptable by central conferences according to ¶ 31.5. ~~For the work on Part VI, Chapter 2 (The Ministry of the Ordained) and Chapter 3 (The Superintendency) of the 2016 *Book of Discipline*, the Standing Committee on Central Conference Matters will work in consultation with the Commission for the Study of Ministry, and for Part VI, Chapter 5 (Administrative Order) of the 2016 *Book of Discipline*, the Standing Committee on~~

~~Central Conference Matters will work in consultation with the Connectional Table.~~

The Commission on the General Conference is directed to set aside adequate time in the first three days of the ~~2020~~ 2025 General Conference for plenary consideration and action on Part VI, General Administration and Organization, submitted by the Standing Committee on Central Conference Matters, and revisions to what constitutes Part VI, based on decisions made by the connectional conferences. ~~Subsequent changes to Part VI shall be reviewed by the Standing Committee on Central Conference Matters for submission to General Conference.~~

Rationale: These changes define what portions of the Discipline apply to the whole church and what portions are adaptable. Provisions pertaining to homosexuality (except regarding funding) are moved to the adaptable section. The 2025 General Conference is able to make changes based on the decisions of the connectional conferences.

Suggested Title: CWF – Connectional Conference Plan – Implementation of Plan

Discipline Paragraph or *Resolution* Number, if applicable: New ¶ 2801

General Church Budget Implications: Yes

Global Implications: Yes

Add a new ¶ 2801 as follows:

¶ 2801 – Implementation of the Connectional Conference Plan

This paragraph contains the process for implementing the Connectional Conference Plan and takes precedence over all other paragraphs in the *Book of Discipline* not in the Constitution. The processes contained in this paragraph substitute for any processes in other parts of the *Discipline*, and those other processes and approvals are preempted by this paragraph.

1. As soon as possible after the adjournment of the 2019 General Conference, and no later than March 31, 2019, the General Conference secretary shall forward to the annual conferences the Constitutional amendments approved by General Conference for the Connectional Conference Plan. Annual conferences shall be responsible to vote on ratification of these amendments by April 15, 2020, forwarding the results of this vote to the Council of Bishops immediately at the conclusion of each annual conference. Any annual conference that has not forwarded the results of its ratification ballot to the Council of Bishops by April 30, 2020, shall be deemed not present and voting under ¶ 59. The ratification percentage for the amendments shall be counted based on the ballots received, and ballots not received shall not count as part of the total (of which a two-thirds affirmative vote is required for ratification).

2. Upon the announcement by the Council of Bishops that all Constitutional amendments have been ratified, the 2020 sessions of the jurisdictional conferences shall choose by simple majority vote of the delegates present and voting as to which of the three connectional conferences that jurisdiction desires to affiliate. All jurisdictionally owned assets and liabilities shall belong to the connectional

conference with which that jurisdiction affiliates when the connectional conference becomes effective. All annual conferences of that jurisdiction shall have the status chosen by their jurisdictional conference, unless an annual conference desires to choose a different option (§ 2801.4). The decision of each jurisdictional conference shall be immediately communicated to the president of the Council of Bishops and the Transition Team.

3. Upon the announcement by the Council of Bishops that the Constitutional amendments have been ratified, each 2020-21 session of a central conference shall choose whether it wants to be constituted as a connectional conference (either by itself or joined with other central conferences) or to join one of the three theologically-based connectional conferences (making it a global connectional conference). The option chosen (own connectional conference or affiliation with another connectional conference) shall require a majority vote by the delegates present and voting.

All central conference owned assets and liabilities shall belong to the connectional conference with which that central conference affiliates when the connectional conference becomes effective.

All annual conferences of that central conference shall have the status chosen by their central conference, unless an annual conference desires to choose a different option (§ 2801.4). The decision of each central conference shall be immediately communicated to the president of the Council of Bishops and the Transition Team.

4. Following the decision of each jurisdictional or central conference but no later than July 31, 2021, any annual conference inside or outside the United States that disagrees with the decision of its jurisdictional or central conference may vote to join a different connectional conference by a majority vote by the conference members present and voting. The proposal for an annual conference to affiliate with a different connectional conference shall originate either from the Cabinet, the annual conference Connectional Table (or equivalent structure), or a petition signed by a minimum of ten percent of the

annual conference members (clergy or lay). The proposal would then be handled in accordance with the annual conference rules. All annual conference owned assets and liabilities shall remain with the annual conference, no matter which connectional conference it affiliates with. The decision of each annual conference shall be immediately communicated to the president of the Council of Bishops and the Transition Team.

5. After January 1, 2026, an annual conference may by a 60 percent majority vote of its members present and voting decide to switch its affiliation from one connectional conference to another. Such a switch in affiliation shall require the majority approval of the receiving connectional conference. An annual conference shall not consider a switch in its affiliation within less than four years from a previous vote on the question.

6. Between August 1, 2021, and July 1, 2022, any local church (charge) inside or outside the United States that disagrees with the decision of its annual conference (whether the annual conference chose by vote or by acquiescing to the decision of the jurisdictional or central conference) may vote to join a different connectional conference by a simple majority vote of the church's professing members present and voting at a duly called regular or special church conference. The proposal to affiliate with a different connectional conference shall originate either from the church council (or equivalent structure) or from a petition signed by a minimum of ten percent of the congregation's professing members.

The bishop and Cabinet, along with other appropriate individuals of the annual conference, shall facilitate the orderly and timely administration of this process. The decision of each local congregation shall be immediately communicated to the president of the Council of Bishops and the Transition Team. After July 1, 2022, any local congregation desiring to switch its affiliation from one connectional conference to another shall follow the requirements of ¶41. A local church shall not consider a switch in its affiliation within less than four years from a previous church conference vote on the question.

7. Past and current pension and annuity liabilities under the Clergy Retirement Security Program shall remain the legal obligations of the annual conferences. Clergy affiliating with a different connectional conference from their original annual conference shall have their associated past and current pension and annuity liabilities and related assets calculated, assigned and transferred as appropriate, by the General Board of Pension and Health Benefits to the annual/connectional conference to which the clergy participant transfers.

8. By August 31, 2021, each active or retired bishop shall register with the president of the Council of Bishops and the Transition Team with which connectional conference he or she desires to affiliate.

9. During this transition, to provide continuity and avoid a mismatch of the number of bishops for each connectional conference, the mandatory retirement provisions of ¶ 408.1 shall be waived for all bishops. Bishops in the United States may continue serving their current appointments past the mandatory retirement age until the organizing conferences of the connectional conferences in 2022, at which time new bishops shall be elected as needed in each connectional conference. The retirement date would be December 31, 2022, and the effective date for new bishops January 1, 2023. Bishops unwilling to continue serving may take retirement, and the Council of Bishops shall appoint another retired bishop as interim bishop to serve through 2022. No new bishops would then be elected at the 2020 jurisdictional conferences, but election of members to the general boards and agencies would still need to occur. The 2020 jurisdictional conferences may be shortened to account for the reduced business to be conducted, or each College of Bishops may decide to conduct the necessary business via email and/or video conference. The central conferences shall meet and elect bishops as usual in 2020, unless the central conference College of Bishops determines that a realignment of the central conference may reduce the number of bishops needed. A central conference experiencing realignment, either by changing annual conference boundaries or joining another connectional conference, shall

meet for organizational purposes prior to July 1, 2023, and elect any required new or replacement bishops at that time. In such a case, a central conference bishop shall not be subject to mandatory retirement until 60 days following the organizational conference (see ¶ 2801.14).

10. Each active or retired clergy person (ordained or licensed or in process) shall have until July 1, 2022, to register with his or her bishop and the Transition Team a desire to affiliate with a different connectional conference than that chosen by his or her annual conference. Any clergy person not registering a choice shall by default remain a member of that person's annual conference and affiliate with the connectional conference chosen by that annual conference.

11. Clergy appointments taking effect July 1, 2022, shall be made as much as possible by matching the desired affiliation of clergy and congregation. Clergy credentials of ordination, commissioning, and licensing shall be recognized by all connectional conferences and shall not be repeated, no matter which conference granted the credential, but the ability to serve in a particular annual conference shall be determined by the qualifications and expectations set by that annual conference. All clergy with security of appointment shall continue under appointment.

a. Transitional Appointments. Clergy may make themselves temporarily available to serve in an annual conference/connectional conference different from their preferred one, either by continuing a current appointment or in an interim appointment. In order to serve in an annual/ connectional conference different from their preferred one, a clergy person shall agree to meet the qualifications of the different annual/connectional conference and maintain the standards of conduct as set forth by the annual/connectional conference they are serving. Failure to abide by this agreement shall constitute grounds for the bishop to revoke the appointment. Such transitional appointments are designed to be temporary until a place of service is found in the clergy person's preferred annual conference.

b. Service in Other Connectional Conferences. Clergy persons may make themselves available to serve in more than one annual/connectional conference. Such clergy person shall designate one annual conference for their primary conference membership. They shall indicate to their bishop a willingness to serve in other annual/connectional conferences. In order to serve in an annual/connectional conference different from the one where his or her membership is lodged, a clergy person shall agree to meet the qualifications of the different annual/connectional conference and maintain the standards of conduct as set forth by the annual/connectional conference they are serving. Failure to abide by this agreement shall constitute grounds for the bishop to revoke the appointment. Such a clergy person shall maintain membership in his or her designated annual/ connectional conference, but shall be eligible for appointment to a different annual/connectional conference with the approval of the receiving annual conference bishop and clergy session.

12. Beginning September 1, 2021, the bishops of each new connectional conference may begin meeting to plan the transition into the new structure, in conjunction with the Transition Team.

13. The organizing conferences of each of the three theological connectional conferences shall take place between September 1 and November 30, 2022 on a date and in a place set by each conference's College of Bishops in consultation with the Transition Team. The organizing conferences of any new connectional conferences formed outside the United States shall take place on a date set by the connectional conference College of Bishops, but prior to July 1, 2023. Notwithstanding other provisions in the *Discipline* or in jurisdictional or central conference rules, materials proposed to be adopted by the organizing conference shall be in the hands of the delegates no later than sixty (60) days prior to the date of the meeting.

14. Delegates to the organizing conferences from annual conferences that choose to affiliate with that connectional conference shall be the General and Jurisdictional Conference delegates of that

annual conference or their duly elected successors according to the provisions for election of delegates (¶¶ 15, 34-36, 316.6, 321.2, 327.2-3, 334.1, 344.4, 346.2, 353.7, 355.8, 514-15, 586.3, 602.1).

Congregations and clergy who desire to affiliate with a connectional conference different from their annual conference shall be represented at the organizing conference of their chosen connectional conference by one clergy and one lay delegate who qualify as proper delegates under the provisions for election of delegates to jurisdictional conference cited in this paragraph. Clergy delegates from areas not covered by an annual conference related to that connectional conference shall be elected by and from the clergy who desire to affiliate with that connectional conference. Lay delegates from areas not covered by an annual conference related to that connectional conference shall be elected by and from the lay members of the annual conference of those congregations that desire to affiliate with the connectional conference. The bishop of that area shall call a special meeting of the clergy and lay members of annual conference desiring to affiliate with a different connectional conference for the purpose of electing the one clergy and one lay delegate to the organizing conference. This meeting shall take place between July 1 and August 15, 2022.

15. The new connectional conference structure, annual conference boundaries, and episcopal supervisory relationships inside the United States shall take effect on January 1, 2023. The new connectional conference structure, annual conference boundaries, and episcopal supervisory relationships for newly formed connectional conferences outside the United States shall take effect on the date set by the organizing conferences. A central conference choosing to become its own connectional conference where no annual conferences are added or subtracted or boundaries changed shall not be considered “newly formed” or “new” and shall not be subject to requirements of newly formed or new connectional conferences in this paragraph (¶ 2801).

16. Connectional conferences at the organizing conference shall redraw the boundaries of their annual conferences in order to encompass all their territory and congregations. Any new annual conferences formed shall have their organizing meeting between January 1 and June 30, 2023, or on another date set by the connectional conference college of bishops.

17. During the 2020-2025 period, the General Commission on Religion and Race and the General Commission on the Status and Role of Women shall engage all branches of the church to identify general principles and benchmarks that would foster accountability in the whole church for combatting racism and sexism. They shall synthesize that work and propose to the 2025 General Conference general principles and benchmarks for adoption by the conference. Subsequently each connectional conference shall be responsible to provide the resources and accountability necessary to abide by the principles and achieve the benchmarks and shall report on its compliance to the Standing Committee on Connectional Conferences at least 240 days prior to each General Conference.

18. During the period 2020-2025, the General Council on Finance and Administration and General Board of Global Ministries shall continue to facilitate and support the financial underwriting of bishops, annual conferences, and mission work outside the United States through the general apportionment and Advance giving.

19. The general agencies shall continue in the structure and funding level established by the 2020 General Conference through 2025, with the possibility of using reserve funds to supplement apportionments for those agencies not included in the *General Book of Discipline* for the years 2023-2025. Other general church funds shall be budgeted through the normal process for this period, with plans to accommodate the potential loss of apportionment income through the transition. Each connectional conference shall elect five representatives to a task force to evaluate the General Agency structure and propose a new model to the 2025 General Conference. In that new model, agencies shall

serve only those connectional conferences that desire to participate in each agency, and funding shall come only from participating connectional conferences. The following agencies shall continue to serve the whole church and be part of the *General Book of Discipline*: Wespeth, the Publishing House, Archives and History, General Council on Finance and Administration, Faith and Order, and United Methodist Committee on Relief. The above named task force shall determine which aspects of the General Board of Global Ministries are to be included in the *General Book of Discipline* supported by the whole church.

Anticipated Financial Implications of Connectional Conference Implementation:

The actual incremental costs of this plan will be dependent upon the structure finally adopted by the General Conference. There will probably be some additional costs related to the formation and meeting of connectional conferences. These costs may be offset by a possible reduction in costs related to the repurposing of other structures within the church. The most significant increase in costs would probably involve the meetings of the connectional conferences. Depending upon where and when the connectional conferences meet, the incremental costs of these meetings could be between US \$300,000 and US \$1,000,000. GCFA will be asked to develop more accurate cost projections. Any incremental cost

increases will need to be examined in the context of the overall budget for the 2021-2025 quadrennium and submitted for approval to the 2020 General Conference.

Rationale: This new paragraph outlines the process for implementation and of transitioning into the new structure. The principles outlined in the summary of the plan are codified in this legislation.

Suggested Title: CWF – Connectional Conference Plan – Council and College of Bishops

Discipline Paragraph or *Resolution* Number, if applicable: ¶ 422

General Church Budget Implications: No

Global Implications: Yes

Amend ¶ 422 as follows:

¶ 422. Council and College of Bishops—1. Bishops, ~~although~~ are elected by ~~jurisdictional or central connectional~~ conferences, ~~are elected general superintendents of the whole Church~~ and exercise their authority primarily within the connectional conference college of bishops. As all ordained ministers are first elected into membership of an annual conference and subsequently appointed to pastoral charges, so bishops become through their election members first of the ~~Council~~ College of Bishops before they are subsequently assigned to areas of service. By virtue of their election and consecration, bishops are members of the Council of Bishops and of their college and are bound in special covenant with all other bishops. In keeping with this covenant, bishops fulfill their servant leadership and express their mutual accountability. The Council of Bishops and the colleges ~~are~~ is a faith communities of mutual trust and concern responsible for the faith development and continuing wellbeing of ~~its~~ their members.

2. The Council of Bishops and the colleges ~~are~~ is thus the collegial expressions of episcopal leadership in the Church and through the Church into the world. The Church expects the Council of Bishops and the Colleges of Bishops to speak to the Church and from the Church to the world and to give leadership in the quest for Christian unity and interreligious relationships.

3. In order to exercise meaningful leadership, the Council of Bishops is to meet at stated intervals. The Council of Bishops is charged with the oversight of the spiritual and temporal affairs ~~of~~ shared by the whole Church, to be executed in regularized consultation and cooperation with other councils and service agencies of the Church. The role of the Council of Bishops is to serve as a missional body that helps gather and distribute best practices for church vitality; is a learning, equipping, and nurturing

community; acts as connectors to the jointly-shared ministries; guides the Wesleyan DNA emphases around justice, fairness, and inclusiveness, with special concern around the elimination of racism and sexism; handles Ecumenical relations; mediates accountability challenges; and ensures the carrying into effect of the rules, regulations, and responsibilities prescribed and enjoined by the General Conference.

4. The bishops of each connectional conference shall constitute a College of Bishops, and such College of Bishops shall arrange the plan of episcopal supervision of the annual conferences, missionary conferences, and missions within their respective territories. Each college shall meet at least once a year and plan for the general oversight and promotion of the temporal and spiritual interests of the Church within their connectional conference and for carrying into effect the rules, regulations, and responsibilities prescribed and enjoined by the connectional conference. Each college shall also nurture and support its members and hold them accountable to the highest standards of United Methodist leadership and discipleship.

4.5. The Council of Bishops may assign one of its members to visit another episcopal area or Methodist-related church, subject to the consent of that area's College of Bishops or that church's leadership. When so assigned, the bishop shall be recognized as the accredited representative of the Council of Bishops, and when requested by the resident bishop or president in that area or church, may exercise therein the functions of episcopacy.

Suggested Title: CWF – Connectional Conference Plan – Judicial Council

Discipline Paragraph or *Resolution* Number, if applicable: ¶ 2602

General Church Budget Implications: No

Global Implications: Yes

Amend ¶ 2602, incorporating ¶¶ 2602-2606 and a portion of ¶ 2608.2, and renumber succeeding paragraphs as follows:

¶ 2602. Effective January 1, 2023, delete the existing ¶¶ 2602-2606 and replace with the following:

Composition—1. Members—The Judicial Council shall be composed of two members, one clergy and one lay, from each connectional conference, elected in such a manner as each conference shall determine. In the same manner, each connectional conference shall elect two alternates, one clergy and one lay. All the laypersons shall be professing members of The United Methodist Church. A member’s term of office shall be eight years. The term of the alternates shall be for four years. A member may serve a maximum of two consecutive eight-year terms, with a minimum of four years off before reelection to the council. The terms of the two members of a connectional conference shall be staggered, so that both terms shall not expire in the same quadrennium. The secretary of the General Conference in 2022 shall randomly determine which member (clergy or lay) in each connectional conference shall be elected to a three-year term (serving 2023-2025), so that the number of clergy and lay members whose terms expire in a given quadrennium are equal or nearly so. Members elected to a three-year term in 2022 shall be eligible to be elected to two additional consecutive eight-year terms. Members elected in 2022 to a seven-year term (serving 2023-2029) shall be eligible to be elected to one additional consecutive eight-year term.

2. Vacancies—a. If a vacancy in the membership of the council occurs during the interim between sessions of the connectional conference, the vacancy shall be filled by the respective clergy or

lay alternate. The alternate filling such vacancy shall hold office as a member of the Judicial Council for the unexpired term of the member whom the alternate succeeds. In the event of any vacancy, it shall be the duty of the president and secretary of the council to notify the alternate entitled to fill it. When an alternate becomes a member of the council, the connectional conference college of bishops shall appoint a replacement alternate to fill out the unexpired term of the promoted alternate.

b. In the event of an absence of one or more members of the council during a session of the Judicial Council, such temporary vacancy shall be filled by the respective clergy or lay alternate.

If the appropriate alternate is unable to be present, the other alternate from that connectional conference shall fill the temporary vacancy. Inability or failure to fill a vacancy does not affect the validity of any action of the council so long as a quorum is present.

3. Expiration of Term—The term of office of the members of the council and of the alternates shall expire upon the adjournment of the connectional conference at which their successors are elected.

4. Ineligibility of Members—Members of the council shall be ineligible to serve as delegates to the General or connectional conference or to serve in any General or connectional conference board or agency.

5. Quorum—Eighty percent of the council members shall constitute a quorum except on questions of the constitutionality of acts of General Conference, in which case a quorum shall be all members or their alternates duly seated according to the rules established by the Judicial Council. An affirmative vote of at least two-thirds of the members of the council shall be necessary to declare any act of the General Conference unconstitutional. On other matters, a majority vote of the entire council shall be sufficient. The council may decline to entertain an appeal or a petition for a declaratory decision in any instance in which it determines that it does not have jurisdiction to decide the matter.

¶ 2608.2. *Time and Place*—The council shall meet at the time and place of the meeting of the General Conference and shall continue in session until the adjournment of that body, and at least one other time in each calendar year and at such other times as it may deem appropriate, at such places as it may select from time to time. ~~Seven members shall constitute a quorum except on questions of the constitutionality of acts of General Conference in which case a quorum shall be nine members or alternates duly seated according to the rules established by the Judicial Council. An affirmative vote of at least six members of the council shall be necessary to declare any act of the General Conference unconstitutional. On other matters, a majority vote of the entire council shall be sufficient. Rationale: These changes reconfigure the Judicial Council as a representative body of the connectional conferences, ensuring equal representation. It designs the Council to cope with the reality of potentially as many as ten connectional conferences, each with a different Book of Discipline that would need to consider cases regarding those Disciplines.

b. Unity Connectional Conference, which acknowledges that members are not of one mind regarding biblical interpretations related to human sexuality, in which pastors are allowed but not required to perform same-sex weddings, annual conferences are allowed but not required to ordain those practicing homosexuality, local churches are allowed but not required to receive an LGBT person as pastor, and in which no bishop, pastor, or congregation is compelled to act against conscience in these matters.

c. Progressive Connectional Conference, in which same-sex weddings are performed by all clergy, all annual conferences ordain qualified LGBT persons, and all local churches welcome LGBT pastors who match the needs of the congregation and its ministry.

d. Each of these three connectional conferences is empowered to choose its own name and insignia, which may or may not include the use of the cross and flame and the name “United Methodist.” When such names are chosen by a connectional conference, the names in this paragraph shall automatically be replaced with the new name without the need for additional constitutional amendment.

e. The process of realignment from the geographical jurisdictions to the new connectional conferences shall not require the approval of the various annual conferences as specified in ¶¶ 16.12 and 37.3.

DIVISION THREE—EPISCOPAL SUPERVISION

¶ 45.1 Article I.—There shall be a continuance of an episcopacy in The United Methodist Church of like plan, powers, privileges, and duties as now exist in The Methodist Church and in The Evangelical United Brethren Church in all those matters in which they agree and may be considered identical; and the differences between these historic episcopacies are deemed to be reconciled and harmonized by and in this Plan of Union and Constitution of The United Methodist Church and actions taken pursuant thereto so that a unified superintendency and episcopacy is hereby created and established of, in, and by those who now are and shall be bishops of The United Methodist Church; and the said episcopacy shall further have such powers, privileges, and duties as are herein set forth.

¶ 46 45.2 Article II.—The bishops shall be elected by the respective ~~jurisdictional and central~~ connectional conferences and consecrated in the historic manner at such time and place as may be fixed by the General Conference for those elected by the jurisdictions and by each central connectional conference for those elected by such central conference, provided that episcopal elections in central conferences shall be held at a regular, not an extra, session of the central conference, except in the case where an unexpected vacancy must be filled.

¶ 47 45.3 Article III.—There shall be a Council of Bishops composed of all the bishops of The

¶ ~~49~~ 45.5 Article V.—The bishops shall have residential and presidential supervision in the ~~jurisdictional or central~~ connectional conferences in which they are elected or to which they are transferred. Bishops may be transferred from one ~~jurisdiction~~ connectional conference to another ~~jurisdiction~~ connectional conference for presidential and residential supervision under the following conditions: (1) The transfer of bishops may be on either of two bases: (a) a ~~jurisdiction~~ connectional conference that receives a bishop by transfer from another ~~jurisdiction~~ connectional conference may transfer to that ~~jurisdiction~~ connectional conference or to a third ~~jurisdiction~~ connectional conference one of its own

(2) No bishop shall be transferred unless that bishop shall have specifically consented. (3) No bishop shall be eligible for transfer unless the bishop shall have served one quadrennium in the ~~jurisdiction~~ connectional conference that elected the bishop to the episcopacy. (4) All such transfers shall require the approval by a majority vote of the members present and voting of the ~~jurisdictional~~ connectional conference committees on episcopacy of the ~~jurisdictions~~ connectional conferences that are involved. After the above procedures have been followed, the transferring bishop shall become a member of the receiving College of Bishops and shall be subject to residential assignment by that ~~jurisdictional~~ connectional conference.

A bishop may be assigned by the Council of Bishops for presidential service or other temporary service in another ~~jurisdiction~~ connectional conference than that which elected the bishop, provided that the request is made by a majority of the bishops in the ~~jurisdiction~~ connectional conference of the proposed service.

In the case of an emergency in any ~~jurisdiction or central~~ connectional conference through the death or disability of a bishop or other cause, the Council of Bishops may assign a bishop from another ~~jurisdiction or central~~ connectional conference to the work of the said ~~jurisdiction or central~~ connectional conference, with the consent of a majority of the bishops of that ~~jurisdiction or central~~ connectional conference.

The bishops of The Methodist Church elected by the jurisdictions, the active bishops of The

¶ ~~51.45.7~~ Article VII.—A bishop presiding over an annual, ~~central, or jurisdictional~~ or connectional conference shall decide all questions of law coming before the bishop in the regular business of a session, provided that such questions be presented in writing and that the decisions be recorded in the journal of the conference.

Such an episcopal decision shall not be authoritative except for the pending case until it shall have been passed upon by the Judicial Council for matters related to the General *Book of Discipline* and by the connectional conference judicial court (if any ¶ 23.4) for matters related to the connectional conference *Book of Discipline*. All decisions of law made by each bishop shall be reported in writing
