This course offers a scriptural understanding of spiritual gifts as always given "for the common good." By helping participants identify and link their gifts, abilities, and sense of calling, laity will learn the powerful connection between spiritual gifts and vocational discernment in the context of the mission of their local church. They will also learn how to make spiritual gifts discernment a part of their congregation's culture and commitment to equip mission-focused leaders who make disciples of Jesus Christ for the transformation of the world.
