Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>If took Health Check: For participating provider: \$3,000 Individual/\$6,000 Family For non-participating provider: \$6,000 Individual/\$12,000 Family</p> <p>If did not take Health Check: For participating provider: \$3,250 Individual/\$6,500 Family For non-participating provider: \$6,250 Individual/\$12,500 Family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.</p> <p>If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay.</p> <p>Households with family coverage who do not complete the Health Check in 2022 will have their deductible and individual out-of-pocket maximum increased by \$500 so the deductible does not exceed the individual out-of-pocket max.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes, preventive care</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. \$50 Individual/\$150 Family for dental benefits, if elected.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>

<p>What is the out-of-pocket limit for this plan?</p>	<p>For participating provider: \$6,000 Individual/\$12,000 Family</p> <p>For non-participating provider: \$12,000 Individual/\$24,000 Family</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Copayments for certain services, premiums, balance-billing charges, vision expenses, dental expenses, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.bcbsil.com or call 1-866-804-0976 for a list of network providers.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).</p> <p>Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
