CONNECTING GOD & GRACE TO SELF AND COMMUNITY

Dear Friend,

Thank you for allowing God to nudge you to considering membership at First United Methodist Church Plano. We are dedicated to our vision of *Connecting God and Grace to Self and Community*. Jesus had many interested people and some of those joined the disciples in becoming the Body of Christ for the world. I invite you to take that same step.

Membership puts God first in the way we live our lives and give our ourselves through our "prayers, presence, gifts, service and witness." These become expectations for members just as they were for Jesus' disciples; and just as in Jesus' time, it was not for everyone. But for those who chose to live that life of grace and giving with others, it was transforming. I invite you to do the same.

FUMC Plano is determined to grow in the likeness of Christ and the positive difference we will keep making for others in the world. I invite you to join us in that journey.

Grace and peace,

Matt Gaston
