

Annual Continuing Education Report *(a supplement to the Annual Report)*

The North Texas Conference Clergy participate in the Marks of Fruitfulness, Clergy Effectiveness Initiative to promote life-long growth. Clergy shall annually report their progress on December 1 (<https://ntcumc.org/leadership-development/clergy/effectiveness>). They shall also make a Charge Conference report of continuing education, formation, and spiritual growth for the past year and the year to come. (2016 Book of Discipline ¶ 350 Continuing Education and Spiritual Growth) *(Throughout their careers, clergy shall engage in continuing education for ministry, professional development, and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ. This shall include carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities. These practices embody the Wesleyan emphasis on life-long growth in faith, fostered by personal spiritual practices and participation in covenant communities.)*
