**United Methodist Bishops of Texas Call for Non-Partisan Solutions to Unfolding Humanitarian Crisis Along U.S. Southern Border**

July 15, 2019

Dear Sisters and Brothers in Christ,

We greet you in the name of our Lord. Together, we have watched with anguish the unfolding immigration crisis taking place along our southern border. Across our state, United Methodist churches are reaching out with compassion and aid to those who are suffering. We also count border patrol officers and those who work with agencies serving asylum seekers as members of our churches, and we know they are doing their best to respond to an overwhelming situation.

Those seeking to enter the United States are children of God -- people for whom Christ died. We call upon government officials, regardless of political party, to seek solutions that reflect caring and compassion. Surely, in the midst of this unfolding humanitarian crisis, it is time to lay aside partisan politics and seek solutions of love, justice and mercy, which best reflect our fundamental values as Christians and Americans. As we search for a common response, may we rise above fear and divisiveness, remembering the guidance of Holy Scripture: "God has not given us a spirit of fear, but of power, love and a sound mind." (2 Timothy 1:7).

As Bishops of The United Methodist Church in Texas, we call on the people of The United Methodist Church of Texas as well as all people of goodwill to pray for and work toward:

- Ending cruel policies that separate families;
- Ensuring compassionate care for the health and welfare of children;
- Providing safe and humane care for refugees and asylum seekers fleeing violence in their native countries;
- A common solution that respects, cares for and offers tangible assistance to those who are hurting and homeless; and
- Working with officials in other countries to address root causes of violence and poverty, which threaten the health and safety of their citizens and force our sisters and brothers to flee their countries of origin.

We ask all who follow Christ as Lord to remember that our Savior was himself a homeless refugee fleeing violence. Jesus taught us, "When you have done it for one of the least of these brothers and sisters of mine, you have done it for me." (Matthew 25:40)

May the Peace of Christ be with you and with the children and families who are suffering,

The United Methodist Bishops of Texas
