LAY SERVANTS as Christian Transformational Leaders

January 13-14, 2024 Waples United Methodist Church – Denison, TX

The United Methodist Church has stated that “the mission of the Church is to make disciples of Jesus Christ for the transformation of the world.” If this goal is to be fulfilled, the church needs Christian transformational leaders. Where will these leaders come from and how will they lead movements of hope into a transformed vision of the world?

This course is designed to provide lay servants, as well as other church leaders, with scriptural foundations of Christian transformational leadership as well as organization effectiveness principles.
