Summer Explorers at Wesley-Rankin Community Center

Wesley-Rankin Summer Explorers will take place virtual starting June 21st to July 30th (Monday – Thursday).

- A huge part of the success of our Summer Explorers program is the supply kits that we send home with all of our students. We heavily rely on our partners to help us with completing these kits. All supplies will need to be ordered by June 1st to prepare our staff time to make the kits. The following link will take you to our **Amazon wish list** of needs for the 2021 Summer Explorers Program: https://www.amazon.com/hz/wishlist/ls/1ZH7LCB6GF2E2?ref=cm_go_nav_hz
- **Family Fun Fridays:** Every Friday during summer camp (June 21st to July 30th), our Children's Education team will be offering Family Fun Fridays which will engage families and students to come learn with one of our partner agencies (Dallas Zoo, Perot Museum, etc.). We are seeking volunteer groups to assist with either creating a specific activity to pair with the curriculum of the week or prepare easy grab & go lunches for the families attending the event. We have a sign up available at the following link with more details, <https://signup.com/go/ZZBtodG>. **Only the lead volunteer will need to sign up to coordinate the efforts for their groups on the day of.**
- In addition, we have a number of **volunteer opportunities** that can be found at the following link: <https://wesleyrankin.org/summer-2021-volunteers/>
 - **Math Buddies** will be returning with three sessions a day, Monday – Thursday. Curriculum will be provided and we would appreciate if volunteer can commit to at least one full week. (VIRTUAL)
 - **Brighter Bites Distribution Team** will consist of volunteers supporting our Children Education's summer partnership with Brighter Bites in a weekly distribution on-site. Volunteers will be working on putting fresh produce into cars during the weekly distributions. (ONSITE)
