Where: CitySquare Opportunity Center, 1610 South Malcolm X Boulevard, Dallas TX 75226

Hosted by Church at the Square

Attendees must provide their own copy of the book.

In this groundbreaking and timely book, antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility...In this in-depth examination, DiAngelo explores how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively. — From the back cover

This discussion group is designed to help pastors in the North Texas Conference come to terms with the racist structures and systems that control many of our public spaces, including our churches, and the racist tendencies that society has ingrained in us.

All are welcome, but this book is designed for white people in order to help them understand white fragility. The white voice is centralized (something the author acknowledges) and while clergy of color are invited to participate and share, the expectation is for white clergy to do their own racist examinations and not rely on a black teacher.
